

The top photograph displays a violin and its various components laid out on a blue surface. The violin body is dark wood with a light-colored top plate. The neck is dark wood with a light-colored fingerboard. The bridge is dark wood with a light-colored top plate. The f-hole is dark wood with a light-colored top plate. The tailpiece is dark wood with a light-colored top plate. The strings are white and are laid out in a row. The bottom photograph shows the same items from a different angle, highlighting the internal structure and the assembly of the body.
